

# WHAT HAPPENED OVER THE COURSE OF 20 MINUTES OR SO...

Roy Proctor  
Managing Director

I peer out of the window to see a deer on the lawn...

Deer ambles off through fence into meadow...

Fox appears determinedly looking for breakfast...

Fox comes towards house...

Onto patio...

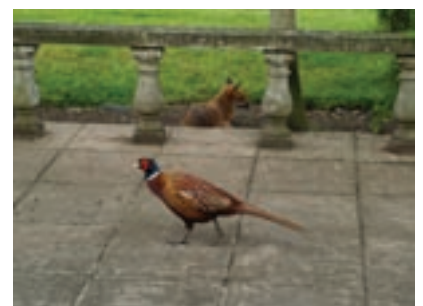

Sits down to wait...

Lies down to wait...

Pheasant appears...

'He's behind you!'

Squirrel appears...

You really don't want to see what happened next! So here's a pic of 'emmy' our cat instead.

'Country life, red in tooth and claw. The fox isn't spitting feathers, the squirrel is no more'
